

Refund Policy:

Registration fees for any circumstance other than injury are non-refundable.

Refund requests due to injury:

Requests due to injury that are submitted prior to the start of the season (*which includes practices*) will be credited minus administration fee (*doctor's note required*). Any other injury requests submitted during the season will need to be assessed. When applying for an injury related refund, the player must also submit a doctor's report/note, with information such as the condition of the player, the probable duration of the injury, and any recommended physical therapy. The player should state in the request whether she/he intends to remain on the roster after recovering from the injury and completing any rehabilitation period.

Requests will only be considered if submitted with appropriate support documentation before or during the season. Any refund requests submitted after the end of the season will not be considered for approval.

All refunds will incur an administration fee: \$10 for one-day clinics; \$20 for multi-day clinics; \$50 for summer camp; and \$50 for summer league.

No partial or complete refunds will be made to players who choose not to participate at any point after registration for any reason, including players suspended from the club and/or program.

If you wish to request a refund, we ask that you email info@christosfc.com with your reasoning for requesting the refund as well as your child's name.
